

SYEDA TAHREEM FATIMA

IT Specialist • Project Management Professional

Karachi, Pakistan • 0321 9216065 • tahreem42444@gmail.com • linkedin.com/in/syeda-tahreem-fatima-10177a294

PROFESSIONAL SUMMARY

Motivated BSIT student (6th semester) with hands-on experience in data operations, academic instruction, event support, and technical projects. Skilled in Microsoft Excel, data documentation, Python, and basic networking. Detail-oriented and eager to contribute through an internship in data, operations, administration, or project coordination.

EXPERIENCE

Academic Instructor (Part-Time)

FAHAD Tutors, Karachi • Jul 2025 – Present

- Deliver one-on-one academic instruction to SSC and HSC students.
- Prepare structured lesson plans tailored to individual learning needs.
- Monitor student progress and adjust teaching strategies accordingly.
- Helped ~9–10 students achieve A+ grades through focused preparation and performance tracking.

Data Operations Assistant (Part-Time)

Resource Linked, Remote • Feb 2024 – Jul 2024

- Managed structured data entry tasks using Microsoft Excel.
- Maintained organized digital records and documentation.
- Created basic charts and supported reporting processes.
- Ensured accuracy and consistency in data handling.

Event Operations Volunteer

ITCN Asia, Karachi • Sep 2025

- Managed attendee registration data with high accuracy.
- Assisted in ID preparation and badge distribution.
- Coordinated with event staff to ensure smooth registration workflow.

PROJECTS

PfSense Open-Source Firewall Implementation

Networking • Security • PfSense

- Configured a firewall using PfSense to demonstrate network security principles.
- Monitored incoming/outgoing traffic and applied access control policies.
- Demonstrated protection of systems by blocking unauthorized communication.

AI Music Recommendation Project

Python • AI • Data Handling

- Developed a music recommendation system based on user preferences and inputs.
- Organized and processed project data to support simple recommendation logic.
- Strengthened practical skills in data handling, Python, and problem-solving.

Excel Sales Dashboard Project

Excel • Data Visualization • Reporting

- Created an interactive sales dashboard using tables, charts, and formulas.
- Organized raw data into clear visual formats for easier reporting and analysis.
- Improved practical skills in spreadsheet-based data presentation.
